

Fellowships for Postdoctoral Researchers 2024/2025 – The Hebrew University Funds

This application System is intended for submissions to the following University funds designated for Postdoctoral researchers:

- The Lady Davis Fellowship Trust
- Golda Meir Endowment Fund
- Emily Erskine Endowment Fund
- S.A. Schonbrunn Fellowship Fund
- The Pikovsky – Valazzi Fund
- Malca & Simcha Pratt Fund for Research Grant
- William Hersh Friedman Postdoctoral Fellowship
- Raymond and Janine Bollag Post-Doctoral Fellowship Fund
- Leo & Julia Forcheimer Endowment

The fellowship is applicable starting October 1th, 2024.

The winners will receive an official invitation letter from the respective Dean's office with the specific name of the fund.

[How to Apply:](#)

Please ensure that you fulfill the minimum criteria for eligibility for a Post-Doctoral Fellowship as described [HERE](#)

Last date to submit applications: December 31st, 2023

Submission Procedure

A. Please fill out the [Online Application Form](#)

B. Upload the following documents (in English OR Hebrew) according to the [Documents Upload page](#):

- Personal Letter - optional

- Curriculum Vitae (Please do not include List of Publications in your CV)
- A List of your Major Publications
- Research Proposal (no more than 2 pages)
- A letter from your Main Sponsor (**your sponsor may not be one of your references too**): Expressing the interest of the Faculty/Department at the Hebrew University in the research you are pursuing - **The academic main sponsors should transfer their letter/s directly to the applicant, the applicant should upload the letter to the system independently.**
- A Letter from Secondary Sponsors (optional): Expressing further support for your application - **The academic secondary sponsors should transfer their letter/s directly to the applicant, the applicant should upload the letter to the system independently.**

C. At least two letters of reference (but NOT MORE than 3, please note that if you receive more than 3 letters we will discard the extra letters randomly) - sent according to the guidelines [described here](#)
