2018 Summer Program for International Students

景观点介 Introduction of scenic spots

黄浦江 The Bund, 位于上海外滩之上，是近代上海的金融、外贸、航运中心，被誉为“世界建筑宝库”。它沿着黄浦江而建，北起虹口区，南至浦东新区，全长约6200米。黄浦江两岸高楼林立，是上海的名片。

The Bund is a world-famous architectural treasure. Located along the Huangpu River, it stretches from the north in Hongkou District to the south in Pudong New Area, covering a length of about 6200 meters. Lined with high-rise buildings, the Bund is emblematic of Shanghai.

黄浦江 The Huangpu River. The Huangpu River, also known as the Waigaoqiao River, is a major river in Shanghai. It flows from the north in Hongkou District to the south in Pudong New Area, covering a length of about 6200 meters. Lined with high-rise buildings, the Bund is emblematic of Shanghai.

Class A (Elementary Survival Chinese)

After studying for a month or so, you will be able to talk about everyday topics in Chinese, reaching a level equivalent to HSK 1. The following are the language skills that will be taught:

1. Simple spelling and writing, reading logs and hazard signs in Pinyin.
2. Greeting like hello and goodbyes.
3. Introduction of personal information (name, age, phone number, residence, family, hobbies, etc) and adding contact to WeChat.
4. Using thank you and also how to apologize.
5. Expressing quantity and using numbers.
7. Simple description of weather, date, location, quantity, etc.
8. Asking and answering simple questions.
9. Understanding and undersatnding simple requests.

Class B (Upper-intermediate Class: Tourism Chinese)

After studying for a month or so, you will be able to participate in conversations about clothes, food, housing and transportation in Chinese. When travelling in China, you will be able to deal with simple social situations, such as fashion and social culture. The following are the language skills that will be taught:

1. Simple shopping situations, moderate introduction of basic knowledge of online shopping.
2. Asking for directions, taking a taxi, taxi-booking applications, introduction to using the high-speed rail, local catering and other local transportation services.
3. Ordering of restaurants, knowing the names of simple food and online ordering.
4. Seeing a doctor and renting an apartment.
5. Using numbers to express quantity and sequence.

Class C (Advanced Class: Exquisite Chinese or Business Chinese)

After studying for a month or so, you will be able to engage in a wider range of topics in Chinese. It will become possible to communicate with native speakers fluently and to complete basic tasks in life that require communication skills, such as study and work. These skills will lay the foundation for future life in China. You will be more capable of using the Chinese language accurately and naturally, enabling you to maintain contact with the local community.

1. Communicating with native speakers of normal speed.
2. Expressing personal opinions, understanding others' oral communication in popular online entertainment and other topics appropriately.
3. Engaging in extensive discussion of Chinese cultures, and coming up a broad comparison of cultures.
4. Improving your acquired knowledge of Chinese with detailed error correction, and learn more authentic expressions.
