In the frame of the strategic cooperation between HUJI and École Polytechnique, Paris, we are pleased to bring to your attention the “Internship Program for International Students” at École Polytechnique for the year 2017.

The Internship Program gives undergraduate and graduate students the opportunity to carry out a 3 to 6-month internship in laboratories of École Polytechnique.

The Program is open to students at the following levels:

- Undergraduate: Bachelor’s students in their 3rd or 4th year
- Graduate: Master's students in their 1st or 2nd year
- PhD students

The candidates will have to choose subjects among the ones listed in the website.

How to Apply?
The applications should include the following documents:

- Detailed Resume (CV)

- A letter of statement in French or in English (including the internship subjects or research areas you are interested in, and why you are qualified for these subjects

- Official transcripts of records including full details of all university-level courses (scanned copies)

- 2 Letters of Recommendation

The applications should be sent to the International Office: intlooffice@savion.huji.ac.il

Deadline for Submission: 10 January 2017
